## Looking Back at 2020 by Barb Krynski

Well, 2020 certainly has been a crazy challenge for everyone, to say the least. Kudos to Kathy Baureis for all her hard work in setting up classes, and to the Board for all of their hard work in ensuring that the club continues to function as always.

Included in this issue is the Registration Form for the Winter Session currently scheduled to begin January 12<sup>th</sup>. However, due to Covid19 restrictions that remains flexible, the Annual Dues Form, and the Annual Awards Form. Please take a few minutes to send in the Dues and Awards forms.

The Rand Park DTC annual Obedience and Rally trials are scheduled for May 1 and 2, 2021. As always, we will need the help of all of our club members. Mary Laurie and I are Co-Chairing this trial and need a volunteer coordinators for Obedience and for Rally! Please let us know if you can help out or we'll have to hunt you down ourselves. 😊

Let's hope that the new vaccines help us all safely return to a normal life! In the meantime, enjoy your dogs, stay safe, keep practicing, and we'll see you in January!

Merry Christmas from the Krynski/Woepse Pack

### **Important! Please note.**

If training needs to be cancelled because of bad weather or for some other reason, instructors will call the students in their classes to notify them.

Notice of training cancellation will also be posted on the Club's website:

## Wags and Brags!

**Sheryl Phelps and Dancer:** I'm very proud to announce that my dog Dancer has attained the new title of RACH. CH. Stormwatch's Lodgepole Sprit Dancer, CD, PCD, BN, RM4, RAE3, CGCA, CGCU, ATT. She is the fourth Siberian Husky to become a Rally Champion and the first to be a dual Champion of both Breed and Rally. We started in February of 2019 and needed 14 points in January 2020 when all shut down. In October we finally got back to showing and finished her title in November. To earn the prestigious RACH, dogs must achieve a minimum of 300 championship points 150 from the Advanced B, Excellent B and 150 from the Master classes, and 20 triple qualifying scores obtained from the Advanced B, Excellent B, and Master Classes. You get no points if your score is under a 92, 100 is perfect. Most of her points have been achieved at All Breed Shows

### **Barb Krynski and Ralphie:**

Ralphie achieved his CPE Agility Champion (C-ATCH) title

**Sonja Lund and Scheiss:** On August 30, at the Greater Racine KC, Scheiss completed the AKC Temperament Test! Sonja is very proud of her **Scheiss!**

As Seen in the Park Ridge Living September issue:

**Honoring Veteran Bill Urquhart**

Vietnam War Veteran Bill Urquhart got quite the shock recently. Last month, Honor Flight Chicago surprised him with a visit to his Park Ridge home. Representatives placed a lawn sign in his front yard to honor Bill and his service in the Army (he served from 1967 – 1969). Next year, Bill will join other Vietnam veterans and fly to Washington, D.C., for a day of honor at the memorials built in tribute to them. This is done at no cost to the veteran and is intended as a heartfelt thank you for their sacrifice and service to a grateful nation. Thank you, Bill, for your service! We can't wait to hear all about your upcoming Honor Flight!

## Product Review

If anyone has found a product that you think is awesome and should be shared, please send me information!

Do you want to give your dogs a nice, smelly bully stick to chew but are afraid they'll swallow that last, little piece whole? This product is awesome!

The Bully Buddy ([bowwowlabs.com](http://bowwowlabs.com))

This allows your dog to safely chew and limits how much of that stick they can get at! Mine will chew the stick down to the tiniest nub and still can't get it out of the holder! I still supervise them, of course. This seller also has the best customer service ever. When my original 2 broke (they have a new design) they exchanged them happily, even though it happened months after I bought it!

Another handy product, again all about safety, is this back up for using a prong collar. I've had them pop off, leaving my dog off leash! You connect this to the prong collar and their buckle collar as a safety back up. It's available on Amazon: Pawmark Nylon Double Ended Training Collar Back Up and is available in 2 sizes.

Occasionally Rand Park likes to notify members about upcoming dog sporting events in case anyone is curious or interested. The purpose is to remind and encourage our members to all of the opportunities out there to have fun with our dogs. While we are an obedience club, we also offer a few other types of activities to engage with your dog in (such as rally, tracking, and nosework) and we encourage folks to go out and try anything and everything with their dogs! The point is that while obedience is awesome, there is also a lot more you can go out and do and most importantly enjoy with your dog.

Have a suggestion on an event we should put on our list and send out a notification about? Let us know at [randparkdtc@gmail.com](mailto:randparkdtc@gmail.com) and put 'event recommendation' in the subject.
